

What I Want East Point to Be: Your Vision for the Future

East Point's Current Vision Statement

This statement came from the last Comprehensive Plan.

Does it still reflect what you want to see in the future?

Over the next twenty years, the City of East Point will continue to develop as a premier City that offers many options and amenities for its residents. While building on and enhancing its **historic assets**, the City of East Point will develop new opportunities for **housing, shopping, employment, recreation, and transportation**.

The City of East Point will provide a unique living experience in the Metropolitan region by offering a **sense of place** and an intimate community atmosphere with all the conveniences of a City. **Established neighborhoods** will continue to foster stable families, while new development will encourage the **diversification of people**.

Residents of the City of East Point will be able to interact with the community fabric on a daily basis through **neighborhood-scale retail and housing developments, enhanced greenspace and recreation opportunities, enhanced transportation options** for the community, including pedestrian and bicycle infrastructure, and the connection of the City through **streetscaped corridors**. The City's goal of fostering economic development will provide employment opportunities, allowing residents to truly **live, work, and play** all within the City of East Point.

What We've Heard So Far

Here's what your neighbors have been saying.

The beauty of East Point is in its original architecture.

We don't want to be Everytown, USA.

Downtown East Point should be a destination.

We need more small, locally-owned businesses.

Good schools will make people stay here.

We know that you want to see more parks, trails, and greenways throughout the city.

Improving the city's schools is important to you.

You would love to see more mixed-use development.

Cleaning up the areas of the city that need some attention is a priority to you.

It's important to you that community members get (or stay) involved.

You want to make sure that historic preservation is part of future plans.

You take a lot of pride in East Point.

East Point is a Place That...
