November 22, 2013

Honorable Mayor and Members of the City Council:

As required by the City Charter, I am pleased to submit for your consideration and approval, the City of East Point's Revised Fiscal Year Proposed Operating and Capital Budget for Fiscal Year 2014. The total Proposed Budget for all Funds is \$125,153,250. This represents an increase in All Funds of 4.4% over the FY 13 Adopted Budget.

The Proposed General Fund Budget is \$33,975,566, based on a Millage Rate of 15, represents a decrease of 0.85% over the 2013 Adopted General Fund Budget. A full discussion is shown below.

This Revised Budget is the City's Fiscal Plan for 2014 and details the means for Revenues and Expenditures. The Revised Budget funds 363 positions in the General Fund, 103 in Enterprise Funds, 67 in Other funds for a total of 533 employees. It also funds Retiree Health Care costs of \$601,821 for 337 retired employees.

For your review, consideration, and approval, is the Revised Fiscal Year 2014 Budget for the period of July 1, 2013 through June 30, 2014. The City of East Point City Code, Section 5-101 requires that the Revised Proposed Budget shall be submitted to City Council for the Body's review prior to enactment of a Budget Resolution. Georgia law also requires that, on the day the Proposed Budget is submitted to City Council, a copy of the Budget shall be placed in a public location convenient to the citizens. Furthermore, a copy of the Revised Budget will be posted on the City's Website.

The adoption of the Annual Operating and Capital Budget is one of the key policy actions for a Local Government Administration and City Council. The Budget establishes the financial, operational, policy and communication plans for the City. The Budget document aligns priorities of the City to resources and develops a blueprint for what services it will provide.

The Revised FY 2014 **Budget is balanced**. Revenues and Expenses from the City's \$125,153,250 operating, capital, debt services, and grant funds are appropriated.

This Revised Fiscal Year 2014 Budget is adjusted: 1) for previously assumed Millage increases; 2) to compensate for the loss of significant property tax revenues; 3) to simultaneously deal with sharp increases in utility wholesale supply and wastewater treatment projects with City of Atlanta.

Revenues projected by the 23 Millage Rate was \$11,794,103. Revenues projected by the 15 Millage Rate is \$8,218,130, which is a decrease of \$3,575,973. The following chart displays the relationship of 15 Mills to 23 Mills.

Fair Market Value (FMV) less \$2,000 Homestead Exemption

Net Assessment (40% of FMV)

15 Mills - Millage Rate

23 Mills - Millage Rate

Millage Rate Difference

Fair Market Value (FMV) less \$2,000 Homestead Exemption	Net Assessment (40% of FMV)	15 Mills - Millage Rate	23 Mills - Millage Rate	Millage Rate Difference
48,000	19,200	288	442	154
98,000	39,200	588	902	314
123,000	49,200	738	1,132	394
148,000	59,200	888	1,362	474
348,000	139,200	2,088	3,202	1,114

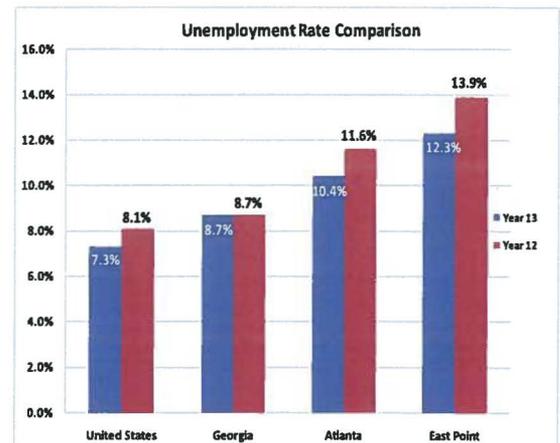

When the Budget is approved, we will provide monthly Actual to Budget expenditure reports for all major funds. In addition, we will complete monthly cash flow statements so we can accurately monitor the collection of Local Option Sales Taxes, Electric utility receipts, Water & Sewer receipts, and Solid Waste receipts.

We will immediately start the FY 2015 Budget Process, including in-depth bottoms up review of all departmental operations.

At the same time, the Revised Budget provides the preliminary blueprint to address financial sustainability and increased accountability within East Point City Government. **A key priority for the City during FY 2014 Budget will be implementation of new financial policies in line with sound business management, fiscal responsibility, long-term sustainability, and good governance.**

The Revised FY 2014 Proposed Budget includes key program initiatives to meet the day to day operating and long term capital needs of the City. Major spending priorities include:

- The centralization of Information resources and allocating a portion of Administrative & General expenses to the utilities department, thereby relieving the indirect subsidy from the General Fund.
- The Proposed Budget includes \$500,000 for Capital Improvements to our portion of the City of Atlanta's Wastewater Treatment Plant. Also, \$2.7 Million is appropriated for payment to Fulton County for Waste Water Treatment costs.
- The establishment of a Storm Water Utility.
- Improved budgeting practices for various Federal appropriation grants and the related local match requirements.
- Professional Services Fees for formal Requests for Proposal to address financial and operational risk assessments and forensic audits.
- Prior reallocation of retiree health insurance costs to appropriate funds.

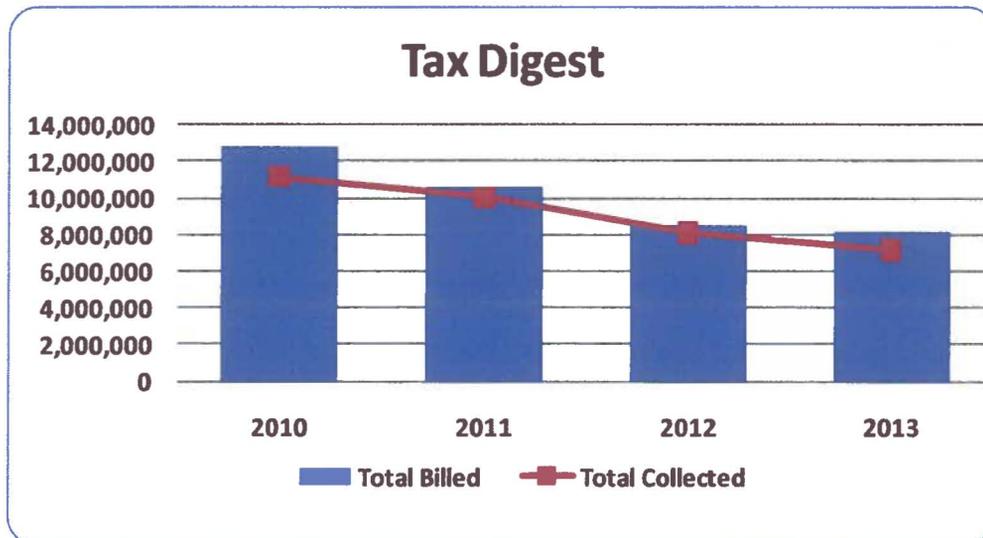

- Proposed increases in user fees and charges for service.
- Capital Projects of \$ 2,682,721 for the General Fund have been proposed utilizing MEAG Municipal Competitive Trust (MCT) funding.

While the FY 2014 Budget is balanced, the City is faced with addressing several key long-term sustainability, financial and operational issues, and several immediate challenges, such as:

- **Addressing local economic conditions.** City leaders and management must work together with our business and other government partnerships to develop a Master Redevelopment Plan for the City.

The local economic climate must improve to create new jobs and investment into the local tax base. A Redevelopment Strategy is needed to revitalize the local economy and create vibrant communities that attract new residents. Such a plan should include discussions with the business community and area education institutions to ensure East Point has a trained workforce to meet redevelopment needs.

- **Stagnant and Declining Property Values.** The City must address this issue along with identifying means to improve the City's tax collections process. A redevelopment strategy will focus on ways to bring new residential, commercial, and industrial development and ways to retain and expand existing businesses.

Proximity to the world's busiest airport and a public transportation network must be a focus. The community has many assets that must be included in any plan. The City will examine economic partnership incentives to encourage relocation and expansion of existing businesses.

As shown below, the General Fund Property Tax Digest has decreased over 39 percent from 2010 to 2013, as expenditures such as benefits and pension contribution continue to steadily increase. Additionally, the City must take a proactive approach to address the collection of current and delinquent property tax and other revenues. The City will investigate options for recovery of its aged receivables and debt recovery.

- **Escalating Health and Pension Benefit Costs.** The City must address the rising costs for employer paid benefits including Health Care, Retirement, and Workers Compensation, which must be further reviewed for cost efficiencies. The Revised Budget Projections for these cost

areas cannot be sustained in the long term. The City must create a culture of frugality that places increased accountability and transparency in City operations

- **Investment in Streets and Roads.** The City needs to reinvest monies into its local neighborhood and business streets and roads. A multi-year Capital Improvement Plan will allow the City to plan for needed upgrades to street conditions including sidewalks and storm water improvements.
- **Need for Operational and Financial Efficiency and Risk Assessments/Audits.** The revised Budget includes \$500,000 for needed assessments of various program and operations. These proposal reviews will include forensic audit financial reporting and technology, assessment of the City's Water and Sewer enterprise operations, employee benefits audit and new management contract of payment processing of customer billings.
- **Implement Best Practices in Fiscal First Aid for Distress Cities.** The City should best practices from the International City-County Management Association (ICMA), Government Finance Officers Association (GFOA) and other local governments to create long term sustainability. Strategies and actions available to the City could include, what we call, **Fiscal First Aid Strategies and Actions:**

Financial Resource Strategies:

- | | |
|---|--|
| ▲ Audit revenue sources | ▲ Evaluate overtime use |
| ▲ Improve billing and collections practices | ▲ Evaluate worker compensations claims |
| ▲ Explore fees for services | ▲ Address escalating health care & pension costs |
| ▲ Propose taxes with a strong nexus | ▲ Assess organization structure |
| ▲ Obtain better returns on idle cash | ▲ Review of use of take-home vehicles |
| ▲ Examine transfers and program subsidizes | ▲ Deploy performance evaluation system |
| ▲ Develop multi-year revenue projections | ▲ Invest in workforce redevelopment & training |

Capital and Debt Strategies:

- ▲ Refinance debt for lower interest rates
- ▲ Start multi-year capital improvement plan
- ▲ Divest of loss-generating enterprises
- ▲ Centralize warehouse operations
- ▲ Inventory and replacement cycle of assets
- ▲ Review of existing facilities and assets

Financial Planning and Analysis Strategies:

- ▲ Evaluate and benchmark financial condition
- ▲ Inventory programs and services
- ▲ Audit certain recurring program operations
- ▲ Enhance purchasing practices
- ▲ Review inter-organizational agreements
- ▲ Revisit internal control systems
- ▲ Establish a culture of frugality
- ▲ Be willing to spend money to save money

Human Resources Strategies:

Our initial Human Resources Strategy will be to complete a comprehensive reorganization of all major departments in the organization. We will complete a Salary Schedule Analysis to properly align the compensation of all employees with the surrounding area, keeping us competitive in all key operational positions. We will review and revise all major Human Resources Policies and Procedures to conform with best practices and industry standards.

Cash Flow Challenges:

These challenges are so significant; they must be highlighted and given special attention. The FY 2014 Budget provides Financial Cash Flow Challenges. To meet operating needs, the City Council will need to approve a Tax Anticipation Note (TAN), which generates funds to pay the 2006 & 2007 Series Bond payment in the amount of \$5.5 million due February 1, 2014.

We have validated that Property Tax revenues will not be available by February 1, 2014, because of the required timelines to approve a Tax Millage Rate and to bill property owners and collect Property Taxes.

Audit Year-End Review:

The following is a summary of the Operating Funds beginning and ending fund balance as of 6/30/13.

	General Fund	Water and Sewer	Electric	Storm Water	Solid Waste
Unrestricted fund Balance (deficit) at 7/1/2012	\$1,648,982	\$(481,370)	\$(1,640,154)	\$(466,386)	\$(580,825)
Total Revenues	32,007,410	21,939,680	40,770,224	-	4,083,491
Total Expenses	32,549,081	20,855,323	40,326,372	1,689,205	4,382,682
Changes in fund balance	(541,671)	1,084,357	443,852	(1,689,205)	(299,191)
Fund Balance at 6/30/2013	\$1,107,311	\$602,987	\$(1,196,302)	\$(2,155,591)	\$(880,016)
	A	B	C	D	E

Note: General fund may have to cover the beginning deficit fund balance of the Storm Water Fund.

Mission Statement

To provide exceptional city services in the most professional, courteous and effective manner to enhance the quality of life in the City of East Point.

- A This Fund Balance amount includes FY 13 \$801K loan to Storm Water Fund to pay its debt service. This Fund also includes \$516,279 loan to Storm Water for FY 12 start-up cost. Therefore, the actual cash/funds available is negative \$209,968.
- B This Fund Balance includes \$890,218 loan to Storm water to pay for operational cost in FY13, therefore the actual cash/funds available is negative \$287,231.
- C The major cause of the deficit fund balance is due to the high increase of the wholesale power supply cost of approximately \$2 million annually over the past five years.
- D The cause of the deficit fund balance is due to lack of revenue. The City has not yet billed the property owners within the City since the establishment of the fund.
- E The major cause of the deficit fund balance is due to the following annual cost charges to the fund over the years are: Animal control (\$200K) and Street sweeping (\$383K).

Fund Balance Recommendations

Description	General Fund	Water & Sewer Fund	Electric Fund	Storm Water Fund	Solid Waste Fund
Beginning Fund Balance 7/1/2013	1,107,311	602,987	(1,196,302)	(2,155,591)	(880,016)

Adjustment A Recommendation: In FY 2012 General Fund loaned Storm Water Fund \$516,279 for start-up operations cost. Recommend reimbursement to General Fund from MCT fund in amount of \$516,279. Action will repay General Fund and reduce Storm Water Fund debt. (one-time funding source; will not be recommended in future years)

516,279	516,279
---------	---------

Adjustment B Recommendation: In FY 2013 the General Fund loaned the Storm Water Fund \$801,000 to pay Debt service. Recommend reimbursement to General Fund from MCT fund in amount of \$801,000. Action will repay General Fund and reduce Storm Water Fund debt. (one-time funding source; will not be recommended in future years)

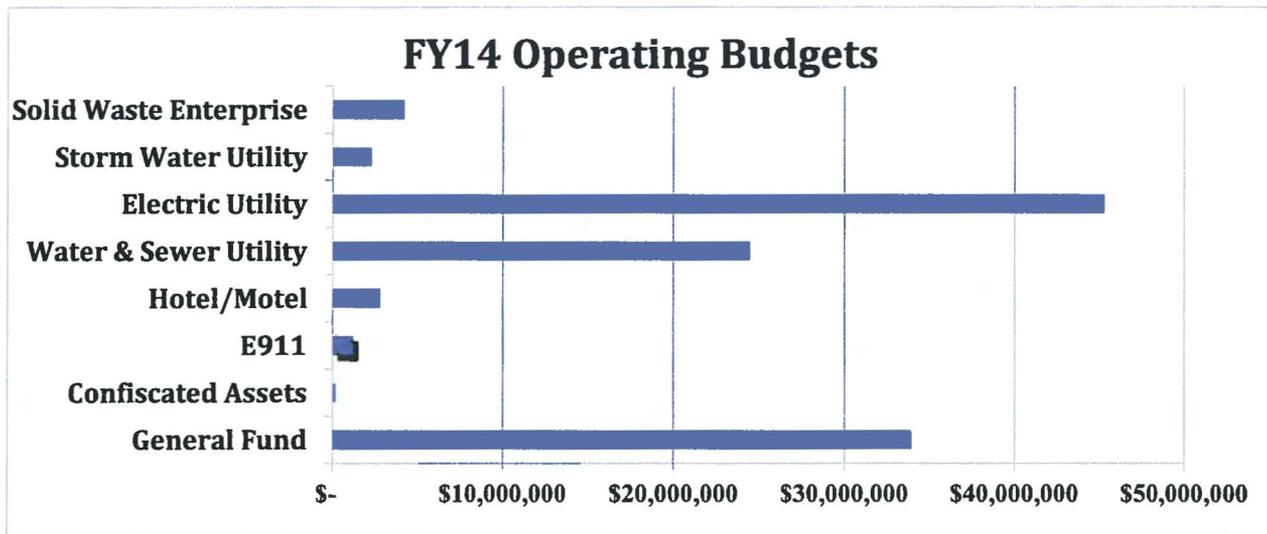

801,000	801,000
---------	---------

Description	General Fund	Water & Sewer Fund	Electric Fund	Storm Water Fund	Solid Waste Fund
Adjustment C Recommendation: In FY 2013 the Water & Sewer Fund loaned the Storm Water Fund \$890,218 for Operations. Recommend reimbursement to Water & Sewer Fund from MCT fund in amount of \$890,218. Action will repay W & S Fund and reduce Storm Water Fund debt. (one-time funding source; will not be recommended in future years)		890,218		890,218	
Adjustment D Recommendation: Use \$1,196,302 from MCT Settlement Funds to eliminate FY 2013 Electric Fund negative Fund Balance. This is proper use of MCT Settlement Funds. (one-time funding source; will not be recommended in future years)			1,196,302		
Adjusted FY 2014 Beginning Fund Balances	2,424,590	1,493,205	-	51,906	(880,016)

BUDGET AT-A-GLANCE

The overall proposed budget amount is \$125,153,250, which represents a 6.48% increase from FY 2013 delineated as follows:

General Fund:	\$33,975,565	1.61% increase
Hotel/Motel:	\$2,800,000	no change
Grant Funds:	\$5,741,809	5.24% decrease
Debt Service:	\$2,368,800	0.06% increase
E911:	\$1,186,519	13.56% increase
Other Funds:	\$195,000	15.22% decrease
Water & Sewer:	\$24,464,207	9.78% increase
Electric:	\$45,276,816	9.78% increase
Solid Waste:	\$4,185,500	0.42% increase
Storm Water:	\$2,276,312	71.24% increase
Capital Projects:	\$2,682,721	MEAG MCT-funded for capital improvements

Personnel

In an effort to balance the Budget, on March 18, 2013, Council unanimously voted to abolish the following 15 positions from FY 2013's Budget:

- Accounting Data Entry Clerk
- Building and Grounds Temporary Laborer (5 positions)
- Contracts and Procurement Director
- Customer Care Director
- Fleet Auto Mechanic
- Information Technology Administrator
- Parks and Recreation Temporary Laborer
- Parks and Recreation Director
- Roads and Drainage Laborer I
- Sanitation Utility Operator (2 positions)

These positions were subsequently removed from the Payroll Projections for FY 2014. A Geographical Information System (GIS) Administrator position was added to FY 2014's Budget to manage all aspects of the City's GIS environment including hardware, software, data and applications. Also under consideration are several unpaid holidays and a reorganization of city departments that could conceivably reduce our employee base. All positions and related strategies will be evaluated during the FY 2015 Budget Cycle.

Health Care Benefits – The City's health care costs will increase 21% from \$3,036,855 in FY 2013 \$3,674,595 in FY 2014. Over the course of the prior fiscal year, the City experienced an increase in the amount of "high-dollar" benefit claims, which resulted in a considerable increase to the City's healthcare insurance for FY 2014. We are working closely with our Insurer, Aetna, to develop a Comprehensive Wellness Program to reduce the cost of our insurance and more importantly to build a "healthier" workforce.

Pension Benefits - The City's unfunded Pension liability debt totals \$ 51,696,833 which is funded with the Constant Dollar Method that was selected by Council in 2012. The annual payment is \$ 7,906,896, which includes principal and interest. This payment method began on 7/1/2012, with the City contributing 51.33% of each employee's biweekly salary. This method was successful during FY 2013, resulting in zero Pension Shortfalls in the 2nd and 3rd quarters of FY 2013. The total cost of the Pension liability is \$9,823,293, which includes the unfunded and active employee pensions.

Operating Funds

The following is a breakdown of the General Fund Revenue and Expenditure Budget.

General Fund	FY 11 Actuals	FY12 Actuals	FY 13 Adopted	FY14 Proposed	%-/+
Revenues:					
Taxes	26,090,780	26,159,428	26,623,051	23,927,505	-10%
Licenses and Permits	1,467,098	1,792,303	2,013,500	2,206,300	10%
Intergovernmental Revenues	5,040	7,205	8,299	5,040	-39%
Charges for Services	264,642	346,320	342,610	736,150	115%
Fines and Forfeitures	2,032,081	2,445,634	1,500,800	1,577,200	5%
Investment Income	6	4,139	-	-	0%
Miscellaneous Revenue	1,020,211	1,706,753	781,600	697,446	-11%
Other Financing Sources	1,586,707	1,823,140	2,166,360	4,825,924	123%
Total General Fund Revenues	32,466,565	34,284,923	33,436,220	33,975,565	2%
General Fund Expenditures:					
Personnel Services	24,268,585	24,755,129	24,020,762	24,775,626	3%
Purchased/Contracted Services	5,764,448	6,971,389	6,072,192	4,980,130	-15%
Supplies	1,110,477	1,216,664	955,716	1,011,445	5%
Capital	241,580	643,630	120,650	175,118	45%
Indirect Cost	(2,304,254)	(1,659,016)	226,542	1,103,397	268%
Debt Service	2,404,981	844,097	1,094,459	414,111	-62%
Other Costs	1,119,048	2,093,215	521,832	747,466	67%
Transfers In/Out	25,000	2,188,983	424,067	705,919	66%
Total General Fund Expenditures	32,629,866	37,054,091	33,436,220	33,975,565	2%

The following is a breakdown of the Enterprise Fund Revenue and Expenditure Budgets.

Enterprise Funds:	FY 11 Actuals	FY12 Actuals	FY 13 Adopted	FY14 Proposed	%-/+
Water & Sewer Utility	15,100,182	21,885,822	21,539,207	24,464,207	14%
Electric Utility	39,631,466	40,708,795	41,244,139	45,276,816	10%
Storm Water Utility	-	-	1,329,281	2,276,312	71%
Solid Waste	4,031,266	4,107,602	4,168,174	4,185,500	0%
Total Enterprise Funds	58,762,914	66,702,219	68,280,801	76,202,835	12%

Storm Water Fund

The Fiscal Year 2014 Budget includes Storm Water Utility Revenues in the amount of \$2,276,312. This Revenue includes **Option 3 of Storm Water Fees**. The current Budget includes operating cost of \$1,475,312 and a debt service payment of \$801,000.

As for Capital Improvements, we have requested \$300,000 for the following programs/projects:

- Provide Elevation certificates to homeowners in flood zone for CRS requirements.
- Provide stream bank stabilization for areas identified in City Storm Water Management Plan.

The following is an analysis of the Storm Water Fees & Options Recommendation:

STORMWATER UTILITY COST TO RESIDENTIAL FAMILIES

Residential Housing Space In *Impervious Square Feet	Option 1 Yearly Base Rate	Option 3 Yearly Base Rate
0 to 1,769 square feet	\$3.58 per Month. \$42.96 Yearly	\$5.03 per Month. \$60.36 Yearly
**1,770 to 4,735 square feet	\$6.50 per Month. \$78.00 Yearly	\$9.15 per Month. \$109.80 Yearly
4,736 and above square feet	\$9.37 p. Month \$115.44 Yearly	\$13.52 p. Month \$162.24Yearly

*Impervious surface means that part of a developed parcel that has been modified to reduce the land's natural ability to absorb and hold rainfall.

** 80% of residential housing space parcels are in 1,770 to 4,735 square feet

STORMWATER FEE ANALYSIS

Budget	Option 1	Option 2	Option 3
FY 2014 Expenses 2,276,312	Option 1 FY 2014 Revenue 1,626,285	Option 2 FY 2014 Revenue 1,951,542	Option 3 FY 2014 Revenue 2,289,309

Recommendation

Discussion	Recommendation
We believe that the option selected needs to support the total expenses of the Storm Water Fund. If an option that is selected that does not support the total expenses there is a real possibility of a Fee increase at a later date. The Storm Water expenses for FY 2014 are \$2,276,312.	Option 3 is the only option that supports the yearly budgeted costs of the Storm Water Fund. We recommend Option 3.

Electric Fund

East Point Power's main mission is to provide quality electrical energy to its 15,000 customers. In order to meet this mission properly, regularly scheduled maintenance must be performed on a yearly basis to the Electrical Distribution System.

Maintenance issues for fiscal year 2014's Budget Year will include: 1) the replacement of critical substation equipment that has exceeded the recommended life span for reliable usage and 2) continuing Tree Trimming Program, as it has proven to be very effective in helping to maintain the overhead electrical system.

A contracted crew will be retained to assist the City crew in effectively trimming our tree system and removing dead trees that are endangering power lines. This maintenance will help eliminate power outages to our customers and aid in attaining positive data used for marketing when seeking new customers. This in turn, can potentially increase our revenue stream.

These new customers will need new electrical distribution systems installed in order to provide their electric energy. We are taking every precaution to be able to effectively and efficiently provide these installations.

All of these projects require highly trained electrical personnel and dependable electrical distribution construction equipment and vehicles in order to compete as a successful public power utility. We will evaluate this operation and provide recommendations to retain a quality work force and keep current equipment operable.

Water & Sewer Fund

Three major categories of expenditures must be met annually from revenues:

- Operating expenses,
- Debt service payments, and
- Funding of renewals and replacements and minor capital outlays.

The Water and Sewer Department will continue its work toward a goal of “improving and becoming a world class provider of drinking water to our citizens and customers. Planned upgrades of plant controls and incorporating some advance treatment processes will increase efficiency and lower operating costs. EPD Consent Order was completed two years ahead of schedule and staff has replaced over 1500 feet of new sewer pipe.

The Department was recently awarded the Outstanding High Achievement Award for the Water plant for 2013 by the Georgia Association of Water Professionals for 2014

Sanitation Fund

Sanitation will continue to operate under its standard normal operation procedures.

Under the **Bulk Waste Amnesty Program**, residents can dispose of their bulk material free of charge twice per year in the Spring and the Fall.

Under the **Commercial Hauler Franchise Fee**, larger commercial entities who produce more than four cubic yards of waste per week are required to utilize private haulers. In return, the City receives 20% of the gross income of the private haulers that service the commercial entities.

The **Private Recycle Program** costs the City \$360,000 annually with the vendor providing a \$60,000 rebate for a net cost of \$300,000 annually. We will complete a cost benefit analysis to properly restructure the Recycling program.

Customer Care Fund

The Customer Care Department is one of East Point key portals to citizen interaction with our Municipality. The Customer Care Department has recently added the Meter Service Division which repairs meters, replaces meters and assures appropriate meter billing. The Customer Care Division is currently being evaluated to assure efficient and effective business practices concerning safeguarding of assets, customer service and recordkeeping.

NEXT STEPS

The Revised Budget plan needs to be formally adopted by City Council. Attached to this transmittal letter are a series of actions that will support the adoption of this plan. City Council will also need to hold a formal public hearings on 11/25/2013 to meet the State required Community Notice and Involvement Process.

City Council can look forward to an improved financial reporting process to provide feedback on the financial performance of its Financial Plan. Interim budget to actual reports will be prepared for increased accountability in the City's performance. The proposed new Financial Management Policies will hold management accountable for actions and ensure that the City has best practices in place to promote organizational values, professionalism, integrity, and accountability.

CONCLUSION

Mayor and Members of the City Council of the City of East Point, Georgia with your approval of the actions proposed tonight, you are sending a strong and powerful message to all stakeholders (the residents, the businesses, the employees, the County of Fulton, and the State of Georgia) that you are here to honor your roles and responsibilities of setting policies for East Point and making sure these policies are executed.

I am honored to have this opportunity to serve and look forward in working closely with you, the staff team and building a strong East Point.

Respectfully submitted,

A handwritten signature in blue ink that reads "Ellis E. Mitchell". The signature is written in a cursive style with a large, sweeping initial "E".

Ellis E. Mitchell

FY 2014

Ordinances &

Resolutions

AN ORDINANCE

AN ORDINANCE BY THE CITY COUNCIL OF THE CITY OF EAST POINT, GEORGIA, TO ADOPT A BUDGET FOR THE FISCAL YEAR, ENDING JUNE 30, 2014; TO PROVIDE FOR AN EFFECTIVE DATE; AND FOR OTHER PURPOSES; BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF EAST POINT AND IT IS HEREBY ORDAINED BY THE AUTHORITY OF SAME THAT:

Section 1: The annual budget for the operations, capital projects, grant programs and debt service for the City for the Fiscal Year ending June 30, 2014, is \$125,153,250. The budget includes all revenues and expenditures for governmental and enterprise purposes as detailed in the accompanying budget documents herein incorporated is hereby adopted in accordance with Georgia law. The Fund Summaries are as follows:

				FY 2014
OPERATING BUDGETS				REVISED
General Fund				\$ 33,975,566
Confiscated Assets				\$ 195,000
E911				\$ 1,186,519
Hotel/Motel Tax				\$ 2,800,000
Water & Sewer Utility				\$ 24,464,207
Electric Utility				\$ 45,276,816
Storm Water				\$ 2,276,312
Solid Waste				\$ 4,185,500
Subtotal				\$ 114,359,920
				FY 2014
DEBT, GRANT & CAPITAL BUDGETS				REVISED
Capital Projects				\$ 2,682,721
Corridors TAD B District				\$ 2,368,800
General Grant Funds				\$ 227,801
Restricted Grants				\$ 5,514,008
Subtotal				\$ 10,793,330
Grand Total				\$ 125,153,250

Section 2: This ordinance shall become effective immediately and the budget shall be implemented for the Fiscal Year of July 1, 2013 through June 30, 2014.

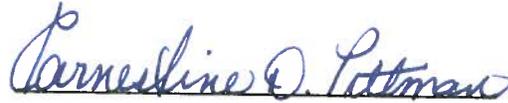

Section 3: *Repealer* - All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 4: *Severability* - In the event any section, subsection, sentence, clause or phrase of this ordinance shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no matter affect the other sections, subsections, sentences, clauses or phrase of this ordinance, which shall remain in full force and effect as if the section, subsections, sentence, clause or phrase so declared to be adjudged invalid or unconstitutional were not a part here of. The Council hereby declares that it would not have passed the remaining parts of this ordinance if it had known that such part or parts hereof would be declared or adjudged invalid or unconstitutional.

First Reading - November 25, 2013

Second Reading - November 25, 2013

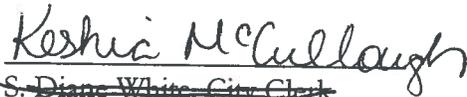

This Ordinance having been duly advertised and public hearing thereon held, the same adopted and approved by the Mayor and Council of the City of East Point, this day of November 25, 2013.

A RESOLUTION

**A RESOLUTION TO AUTHORIZE THE INTERIM CITY MANAGER TO ESTABLISH
FISCAL POLICIES AND OPERATIONAL CONTROLS**

WHEREAS, the duly elected governing authority of the City of East Point, Georgia is the Mayor and Council thereof; and

WHEREAS, the extended economic downturn and financial constraints have necessitated the re-examination of all aspects of the operation of City government; and

WHEREAS, best practices of any organization includes the review of all operational aspects to end obsolescence, increase efficiency, spur productivity and to reduce duplicative or unnecessary costs; and

WHEREAS, the Interim City Manager is imbued by Sections 2-302 and 2-401 of the Charter with the responsibility for the efficient administration of all departments of said municipal government; and

WHEREAS, in comparison, Section 2-101 of the Charter grants all legislative powers and authority in the Mayor and City Council; and

WHEREAS, the full and complete legislative and policy-making authority of the City resides in the City Council pursuant to Section 2-401; and

WHEREAS, the Mayor and Council have retained the Robert Bobb Group, LLC for the provision of an Interim City Manager to operate the City and other related City management services;

BE IT RESOLVED by the Mayor and the City Council of East Point as follows:

- **Section One:** The Interim City Manager be and is hereby authorized to recommend for adoption by City Council the following Fiscal policies and ordinances: (1) Financial Planning Policies to achieve long-range planning based on the fundamental principles of a balanced budget; (2) Revenue Policies that foster stability to minimize service disruptions caused by revenue shortfalls; and (3) Expenditure Policies to ensure fiscal stability. which include but are not limited to: a) an Annual Operating Budget and Capital Improvement Plan Policy; b) Fund Balance and Stabilization Reserve Policy; c) Long-Term Debt Financing Policy; d) Accounting, Auditing and Financial Reporting Policy; e) Non-Tax Revenue Spending Policy F)Asset Inventory; g) Revenue Diversification; h) Fees and Charges; i)Use of One-time Revenues; j) Use of Unpredictable Revenues; k) Cash Investment; l) Debt Capacity, Issuance and Management; m) Operating/Capital Expenditure Accountability; n) Grants Management.

Section Two: The Interim City Manager and the City Attorney are further directed to draft for City Council legislation for presentation to the General Assembly to effect: 1) removal of the millage cap of 15 mills; and 2) removal of the elimination of the 70 years and above millage exemption.

Section Three: The Interim City Manager is further authorized to cause an RFP for the following operational contract services from third-party vendors: 1) Qualified Forensic Auditing services on an as needed basis; 2) Merchant Processing Services; 3) Assessment of the Water and Sewer Operations and Billing Processes; and 4) Healthcare and Risk Management Audit and Analysis.

Section Four: This Resolution shall become effective immediately.

BE IT RESOLVED by the City Council of East Point this _____ day of _____, 2013.

MEMORANDUM

TO: Julie Keener

FROM: Lawrence Davis, Jr.

SUBJECT: Merchant Processing Service Fee

The Customer Care Department would like to official request to establish a flat fee of \$3.00 as a customer service fee to every utility customer (15,000). Currently, we have spent a total of \$210,692.59 in charges associated with processing fees for credit cards and check. We are projecting from now until February 2014 that we will spend another \$100,000.00 in merchant processing charges.

Tax and Fee Schedule 2013-2014

<u>Taxes and Fees</u>	<u>FY13</u>	<u>FY14</u>
<u>General Property Taxes</u>		
Real Estate Taxes (per \$1000 of assessed value)	\$15.00	\$15.00
Personal Property Taxes (per \$1000 of assessed value)	\$15.00	\$15,00
*** These taxes are assessed from January 1 through December 31.		
<u>Other local Taxes</u>		
Hotel/Motel Lodging Tax	8.0%	

Transportation	
Rights of way and Excavation Permit Fees	
Description	Permit Fee
Application Fee	\$100.00
Longitudinal and Transverse Excavation (paved areas)	\$0.50 per LF (Minimum fee \$100)
Longitudinal and Transverse Excavation (paved areas)	\$0.10 per LF (Minimum fee \$25)
Longitudinal and Transverse Excavation for Point Repairs, Service Lines, etc. (Paved Areas)	\$15.00 per SY
Excavation for Utility Construction Point Repairs (unpaved areas)	
Boring and Jacking Operations, Tunneling, Retrofitting of Existing Utility Lines	\$.10 per L.F. (Minimum \$50 per Block)
Utility Poles (new installations) Including Guy and Anchor	\$5.00 per pole*
No fee/permit will be required for replacing existing poles of similar size or routine inspection.

Steps	\$50.00 per Location
Monitoring Wells	\$100.00 per Location
Temporary Pedestrian Walkway	\$50.00 per Location

PURPOSE:

Stormwater Fee Analysis & Options Recommendation

HISTORY:

The Stormwater Management Ordinance (Chapter 2, Article E; Section 8-2421 through Section 8-2457) was signed by the Mayor on December 19, 2012. The Ordinance was created to enforce Stormwater ordinance violations; to enact Stormwater management programs; to repair Stormwater drains caused by collection, concentration or flow of surface water; to initiate and manage Stormwater infrastructure improvements; and to administer the Floodplain Management/Flood Damage Prevention Ordinance.

1. In FY 2012 the General Fund loaned the Storm Water Fund \$516,279 for start-up operations cost.
2. In FY 2013 the General Fund loaned the Storm Water Fund \$801,000 to pay Debt Service.
3. In FY 2013 the Water & Sewer Fund loaned the Storm Water Fund \$890,218 for Operations.

The total amount loaned to the Storm Water Fund in FY 2012 & FY 2013 equals \$2,207,497.

FACTS AND ISSUES:

1. The Storm Water (SWD) Department inspects a minimum of 918 Catch Basins each year.
2. The SWD cleaned 144 Catch Basins in the last 12 months.
3. The SWD repaired 60 Catch Basins in the last 12 months.
4. Storm Water projects completed, in-progress, or on the drawing board include Dodson Drive Culvert repair; Sun Valley Creek; Randal St. improvements; E. Forrest Ave. Improvements; Jim's Creek; N. Martin St. Catch Basin replacement; N. Martin St. Regional Storage Improvement; S. River Tributary 3 Improvements; Norman Berry Drive Pipe Replacement; Maria Head Terrace Berm Construction; Meadow Lark Ln Pipe Replacement; Grove Ave. Pipe Replacement. Please note that projects may be moving targets with projects not listed added and projects listed reprioritized

There is a request to retire the amount loaned to the Storm Water Fund in FY 2012 & FY 2013 using MCT funds so the debt is not transferred to rate payers at a later date.

STORMWATER UTILITY COST TO RESIDENTIAL FAMILIES

Residential Housing Space In *Impervious Square Feet	Option 1 Yearly Base Rate	Option 3 Yearly Base Rate
0 to 1,769 square feet	\$3.58 per Month. \$42.96 Yearly	\$5.03 per Month. \$60.36 Yearly
**1,770 to 4,735 square feet	\$6.50 per Month. \$78.00 Yearly	\$9.15 per Month. \$109.80 Yearly
4,736 and above square feet	\$9.37 p. Month \$115.44 Yearly	\$13.52 p. Month \$162.24Yearly

*Impervious surface means that part of a developed parcel that has been modified to reduce the land's natural ability to absorb and hold rainfall.

** 80% of residential housing space parcels are in 1,770 to 4,735 square feet

STORMWATER FEE ANALYSIS

Budget	Option 1	Option 2	Option 3
FY 2014 Expenses 2,276,312	Option 1 FY 2014 Revenue 1,626,285	Option 2 FY 2014 Revenue 1,951,542	Option 3 FY 2014 Revenue 2,289,309

Recommendation

<i>Discussion</i>	<i>Recommendation</i>
<p>We believe that the option selected needs to support the total expenses of the Storm Water Fund. If an option that is selected that does not support the total expenses there is a real possibility of a Fee increase at a later date. The Storm Water expenses for FY 2014 are \$2,276,312.</p>	<p>Option 3 is the only option that supports the yearly budgeted costs of the Storm Water Fund.</p> <p>We recommend Option 3.</p>

1 The amount proposed is reasonable based on the assessed value of the mobile home properties. Some other property tax revenues were recorded in this account in the previous years

2A The new license fee could yield additional \$28,500 in revenues.

2 Per review of the fee schedule and discussions with the Fire Chief, she concurred that the original proposed amount of \$15 would not be realized and therefore, repropoing \$5k

FY14 Proposed Revenues

State Classification Desc	Revenue Description	FY11 Acutals	FY12 Acutals	FY13 Adopted	FY13 Acutals	FY14 Proposed (Oct)	FY14 Adopted	Comments
	3	<p>Sale of Property (Right of way) to Walmart for the Cleveland Ave development. Proceeds have been properly reclassified as other financing source in the proper accounting period.</p>						
	4	<p>The original proposed amount of \$7K has been reduced to zero due to cancellation of contract by the client</p>						
	5	<p>The City is housing inmates for the City of College Park, Fairburn and Hapeville. Per the Police Chief the annual revenue proposed is reasonable based on the contracts</p>						
	6	<p>Per the Parks and Rec Manager, the proposed revenues for the program fees and rental revenues reflects more accurately the revenues from these activities, because in the past most of the rental revenues have been erroneously recorded in the program fees account.</p>						
	7	<p>The annual rental revenue is \$17,117. The \$52,646 received in FY 13 is to cover FY 13 and the unpaid balance from (FY 11 and FY 12)</p>						
	8	<p>Council has appropriated \$455K, as at June 30 2013 only 24.1K has been spent, therefore approximately \$431K is available for FY 14.</p>						
	9	<p>Per inquires the assets to be sold belong to Solid Waste Fund, Therefore, the revenue source and the projected proceeds have been transferred from Gen. Fund to the Solid Waste Fund.</p>						
	10	<p>Council has appropriated \$3.32M of MCT funds, as at June 30 2013, for capital projects. \$1.2M has been spent in FY 13 therefore approximately \$2.1M is available for FY 14. \$500K for IT infrastruture upgrades for Police, Fire & Operations</p>						
	11	<p>Transfer of \$2.9M from the CIP bond funds would be used to satisfy sewer obligation to Fulton County and City of Atlanta in the amount of \$2.4M and \$500K respectively.</p>						
	12	<p>The Water and Sewer fund would generate approximately \$25K from sale of scrap metals to Newell Recycling Company.</p>						

FY14 Proposed Revenues

State Classification Desc	Revenue Description	FY11 Actuals	FY12 Actuals	FY13 Adopted	FY13 Actuals	FY14 Proposed (Oct)	FY14 Adopted	Comments
13	Per review of contacts executed by the City and the franchisee the proposed revenue of \$65K is reasonable							
14	Based on approval of Storm Water Utility Option 3							
15	Tax millage reduced from 23 mils to 15 mils. Difference of \$3,575,973							
16	Insurance premium increased by \$59,999							
17	2014 ICP (Indirect Cost Plan) is based on an approved audit ICP model from the City of Marietta. The process uses General Fund support services that enables the city to operate. ICP has increased by \$2,476,039.							
18	LOST - based on trends projections are showing an increase of \$600K							
19	Based on last year projections are showing an increase of \$150K							
20	Based on actual receipts collected from the City of East Point's Police department, the monthly average usage of 26,700 cell phones @ \$1.50 per phone equals 40,050 X 12 months = \$480,600.							
21	Grants were increased by 5.6M to with \$4.4m funded by federal grants and 1.2m funded by MCT funds. The grants are for public work projects that improve roads and sidewalks, upgrade open spaces and replace outdated regulatory warning and guide signs.							
22	Decrease of \$34,361 is due to a verification of grant receipts.

FY 2014

Debt Service

Summary

	FY2014
Revenue Bonds	\$ 7,222,190
Lease Purchases	\$ 783,362
Total FY14 Debt Service	\$ 8,005,552

Debt Service Expenditures by Type	FY2014	Department	Maturity Date	Note
2006 Bond	\$ 2,535,396	Water & Sewer	2035	1
2006 Bond	\$ 801,000	Storm Water	2035	1
2007 Refund Bond	\$ 3,759,150	Water & Sewer	2020	2
BIDA	\$ 126,644	Customer Care	2025	3

Notes:

1 - 2007 Refund Bond was to help get a better interest rate on the 2000 Revenue Bond for the purpose of financing the cost of making certain additions, extensions, and improvements to such water and sewer system.

2 - Improvements to the City's water, sanitary sewer and storm water systems in order to keep pace with the City's economic development growth and meet regulatory and public demands for reliable and safe drinking water and to provide sanitary sewer and storm water improvements to serve the citizens and businesses in the City.

3 - To purchase the Wachovia Bank Building.

--------------	----------------

The FY14 Transportation Budget Reductions

- Supplemental 2"-4" Water Line Resurfacing..... \$200,000 > \$ 100,000
(Water repair projects will continue into FY15 budget year)
- Sidewalk Installation – Headland Drive (from Delowe to McAlphine)... \$335,000 > \$ 96,727
(One side of roadway site plan design)
- Sidewalk Installation – Headland Drive (from 166 to Washington Rd)... \$355,000 > \$ 97,000
(One side of roadway site plan design)
- Resurfacing \$500,000 > \$ 400,000
(approved contract for Plantation Drive and S. Martin St)
- Full Depth Replacement- Centre Pkwy \$200,000 > \$ 56,273
(Construction placed on hold until FY15 budget; engineering and site plan design will continue)
- New Road Construction (Ben Hill Ave- Gravel) \$ 100,000
(Construction cost FY14 budget, no change)
- New Road Construction (Young Dr- Gravel) \$100,000
(Construction cost FY14 budget, no change)
- Resurfacing – Sylvan Rd \$230,000 > not funded
(Walmart project in process, Sylvan Rd placed on hold until FY15 budget)
- City Wide Restriping \$50,000
(No change)

Note: Based on the recommendation of the Public Works Director, the Roadway Resurfacing and Sidewalk project budget will be reduced with consideration of the time limitation remaining in the FY13 budget year. The remaining funds have been allocated for the City's matching grants totaling \$1,182,721.

Addendums

RESPONSES TO MAYOR AND CITY COUNCIL 2014 BUDGET QUESTIONS

CATEGORY: PROPERTY TAXES

Question 1 (CM Martin) - Can we go back to allowing Fulton County to collect the City's taxes and if so how does this work?

Responses to Question 1 Per Property Tax Division

Yes, if agreed upon by the Fulton County Tax Commissioner and a vote of Council. A Cost Benefit Analysis will be conducted. There will be further discussion on this matter during the FY15 Budget process.

Question 2 (CM Martin) – 1) Who owes what to the city of East Point and 2) how are we being aggressive in collecting these fees? This is in terms of property taxes? 3) How much money is owed to the City in property taxes?

Responses to Question 2 Per Property Tax Division

1. We are not sure of this question.
2. Aggressive Tax collection includes such actions as:
 - a. Tax Sales and liens would be considered
 - b. Assigning collection personnel and designating equipment for collections.
 - c. Assuring that Cost are covered by collection amounts.
3. Current collection activities include:
 - a. Making telephone calls and mail out tax bills.
 - b. Going online to different search locators to find property owners when mail is returned
 - c. Filling liens against delinquent properties.
4. Current Real Property delinquencies are \$2,126,482
5. Current Personal Property delinquencies are \$202,223.

Question 3 (CM Rhodes) - Page 17 (Expenditures) – Property Tax Division: there is an increase from 6K to 10K. Foot note 3 states this increase is due to a second mailing because of the property tax increase. If the budget is at 15 mils, there is not increase and therefore no need for a second mailing. Should this be reduced by 4K?

Response to Question 3 Per Property Tax Division

1. We have to send out a second notice to delinquent homeowners of intent to file FIFA Liens on their properties.
2. Additional funds will be necessary to send out Storm Water Bills to individuals over 70 years old who do not pay Real Property Tax.

Question 4 (CM Rhodes) - Resolution – Section two. I will not support the removal of those over 70. Can you please provide me with the total not collected last year from those over 70?

Response to Question 4 Per Property Tax Division

The cost not collected is \$211,466.04

CATEGORY: LEGAL

Question 5 (CM Rhodes) - Resolution – Section Two. Corliss Lawson has stated on several occasions, this provision does not need to go to the General Assembly but can be adopted by Home rule. Which of you are correct?

Response to Question 5 Per City Attorney Lawson

1. The Issue was researched and there is no reported decision in which the issue has been litigated. There is, however, a reported unofficial attorney general's opinion stating that it can be changed under home rule without going before the general assembly as there is no general law under OCGA or the Georgia Constitution prohibiting the removal of the cap. Moreover it is questionable as to whether such caps are constitutional where, as here, the Charter states that city council is charged with setting the millage rate at a level to ensure sufficient revenue to cover operating expenses and is to be set in connection with the budget adoption. Legal's construction was confirmed by three outside attorneys. The problem with the cap at any number is that it is wholly meaningless without knowing the current value of a mil as it is a fluid number based on current economic conditions. Since the largest component of the general fund is tax revenues, these caps cripple municipalities from being able to set the millage rate at a sufficient level to cover operating expenses and city council does not learn of its need for the additional revenue until budget is presented by City Manager. With respect to the question of who is correct, no one can say because it has not been litigated.

Question 6 (CM Slaughter-Gibbons) - Please look at reducing the cost of Legal outside counsel. She believes that funding for Legal outsourcing should be heavily decreased, with the exception of Hawkins Parnell and Holland & Knight (for TAD). Please review the FY2010 Legal budget for comparison.

Response to Question 6 Per City Attorney

All Legal costs, inside and outside, will be reviewed thoroughly.

CATEGORY: FIRE

Question 7 (CM Martin) - I would like the numbers on outsourcing 50 Worst properties after all this did start with the Fire Department how does out sourcing look for this? What is the total cost of outsourcing vs. in house?

Response to Question 7 Per Fire Department

1. Currently City Staff are securing unsafe houses by boarding up and attaching a lien to the property. In cases where continual breaches occur, we seek an order to demolish through the City Solicitor;
2. Listed below are the average costs to board up or demolish vacant homes to support the 50 Worst Properties Program:

COST: Based on staff hours, equipment, supplies, and abatement requirements.

Completed By:	Boarding	Demolition
City of East Point	\$500	\$5,000
OUTSOURCED	\$800	\$9,500

Response to Question 7 Per City Manager

The number is listed as “50”; however, staff will revisit this subject “as an economic development project”, and present a plan in the near future.

CATEGORY: POLICE

Question 8 (CM Gothard) - How can we increase police road blocks and forecast amount to be collected? Court system would see an infusion of cash and crime would be reduced.

Response to Question 8 Per Police Department

- 1. Road blocks are conducted for traffic safety and crime repression, only/**
- 2. A comprehensive plan to improve Police Department performance, collections, and reduce crime is being prepared.**

CATEGORY: HUMAN RESOURCES

Question 9 (CM Martin) - How can we immediately move forward with the 457 plan?

Response to Question 9

- 1. A 457 plan is a voluntary off to top management;**
- 2. Costs of all plans and their effects of the City Budget are part of the review process.**

Question 10 (CM Martin) - Offer **no pension for new employees** (this includes incoming City Council) but a 401K or 457 plan what would these numbers look like and how much cost savings is this to the City?

Response to Question 101 Per HR

Employee Benefits are a part of a more detailed investigation

Question 11 (CM Rhodes) - Please provide me with a list of reductions in staff (decreases in salary & wages) for each department by title that is not included in the list of 15 Council removed on March 18th from the 2013 budget.

Response to Question 11 Per HR -

- 1. Attachment A shows the current list of unfilled vacant positions and related costs;**
- 2. This list will be confirmed and verified by the Management Team;**
- 3. Further recommendations may be forth-coming.**

Question 12 (CM Rhodes) - How many employees did East Point have in 2013 as compared to the staffing level you propose of 533 in 2014?

Response to Question 12 Per HR

The number of employees in 2013 was 543

Question 13 (CM Rhodes) - How many and what positions have you recommended for removal from the Public Safety Department?

Response to Question 13 Per City Manager

The safety and security of citizens, businesses, employees, and visitors to our City is critical. The decision to add or decrease will be a part of the aforementioned.

CATEGORY: CITY MANAGER

Question 14 (CM Martin) - The City should start looking into mutual contracts for example all of the police, fire, water/sewer, and other communication devices contracts should be with one vendor. What do these numbers look like?

Response to Question 14 Per City Manager

- 1. Mutual Aid Agreements have been in place in several areas for many years;**
- 2. All City Agreements will be reviewed and presented in a report to the City Council.**

Question 15 (CM Rhodes) - On page 1 of your letter to Council, in paragraph 4 in the last sentence "Furthermore, a copy of BOTH the Revised Budget....." what is BOTH referring to?

Response to Question 15 Per City Manager

The word "both" is written in error and is removed in the edited letter.

Question 16 (CM Rhodes) - Resolution – Section three. This only authorizes you to proceed with an RFP, correct? The contract must come back to Council for authorization.

Response to Question 16 Per City Manager

This is correct.

Question 17 (CM Rhodes) - Resolution - Section one. This only requests you to prepare these policies. Each policy will come to Council for adoption, correct?

Response to Question 17 Per City Manager

This is correct.

Question 18 (CM Rhodes) - Annual Operating Budget and Capital Improvement Plan Policy , Recommendation, second paragraph– Do you have an objection to including language that would direct this budget recommendation be placed on the city web page at the same time it is presented to Council and to have a summary of the budget recommendation placed on the City TV station?

Response to Question 18 Per City Manager and Finance Director

Yes, we understand that a copy of the proposed Revised Budget has traditionally been placed on the City's website in conjunction with the Budget Packet being presented to the City Clerk. We have no intention of breaking that tradition.

Question 19 (CM Rhodes) - Annual Operating Budget and Capital Improvement Plan Policy – Amendments, what does the following mean? The budget shall be adopted at the fund/department level.

Response to Question 19 Per Finance Director

- 1. The Annual Adopted and subsequent Amended Budgets will be presented by Fund and at least Department level. Example: The COEP Budget will be presented by General Fund; Water & Sewer Fund, Electrical Fund; Sanitation Fund and Other Funds.**
- 2. The detail in each Fund will at least be provided at the Department level.**

Question 20 (CM Rhodes) - Annual Operating Budget and Capital Improvement Plan Policy – Interim Reporting..... Second paragraph. Periodic financial reports will be prepared.....By whom? Is this intended to be our finance department or an outside source?

Response to Question 20 Per City Manager

- 1. All Financial Reports will be under the direction of the Finance Director;**
- 2. All in conjunction with City Manager review and involvement.**

Question 21 (CM Rhodes) - Annual Operating Budget and Capital Improvement Plan Policy – Interim Reporting..... Second paragraph. Reports will be presented to Council quarterly and preferably on a monthly basis. We should exclude ambiguity by deciding on one or the other. Quarterly or monthly? Also, is this reporting to be at a work session via verbal presentation or simply a written report provided to Council?

Response to Question 21 Per City Manager

- 1. Reports will be presented monthly;**
- 2. Report schedules will be prepared**
- 3. Monthly "Management/Mayor/Council" Financial Reports will be completed by Finance Department that Tracks Budget VS. Actual for Expenditures by Fund-Department and from Revenue by Fund**

Question 22 (CM Rhodes) - Annual Operating Budget and Capital Improvement Plan Policy – Budget transfers. Please confirm the \$5,000.00 is per our present City Ordinance.

Response to Question 22

1. We will research the Charter to determine appropriate budget transfer amounts.
2. The Major Vehicle for Budget Transfers will be included in the Budget Amendment Process.
3. Best Management Practices call for an Adopted Budget to be Amended at least twice Yearly to account for changes in Revenue Projections and extraordinary or Revised Expenditures based on project modifications.

Question 23 (CM Rhodes) - Fund Balance and Stabilization Reserve Policy – Assigned. Is the intent in this statement to provide Council will pass a resolution each time a fund balance needs to be reassigned? If so, the statement or his/her designee is not necessary as the resolution offers the authority. If it is not your intent to seek a resolution each time a fund balance needs to be assigned but rather give authority to the City Manager to make this decision, there should be a limit that will require council resolution and the designee should be more restrictive.

Response to Question 23

1. It is the Intent for the Council to Adopt a Reserve percentage that is based on the Budget amount. Example: For the General Fund, if there is a 10% Reserve Policy and the General Fund Budget is \$35 million then the Reserve would be \$3.5 Million.
2. The Reserve Policy is for Fiscal Stability and Reserve for uncertainty.

Question 24 (CM Rhodes) - Is the Fund Balance and Stabilization Reserve Policy intended to have 2 months of reserves and 2 months of unrestricted funds?

Response to Question 24 Per Finance Director

1. Same as presented, above, in Response 23.

Question 25 (CM Rhodes) - Long Term Debt Financing Policy – Recommendation, third bullet – is there a definition somewhere for “basic services”.

Response to Question 25 Per Finance Director

1. Will research and respond.

Question 26 (CM Rhodes) - Long Term Debt Financing Policy – Recommendation, fourth bullet – what is “overlapping government entities”?

Response to Question 26

1. Will research and respond

Question 27 (CM Rhodes) - Long Term Debt Financing Policy – Recommendation, bullet 11 – why 10%?

Response to Question 27 Per Finance Director

1. 10% is an industry standard used as “best practice.”

Question 28 (CM Rhodes) - Accounting, Audits and Financial Reporting Policy – When we receive the audit and there are issues as stated by the auditor opinion or issues as stated by the state auditor , there should be a report within 60 days from the City Manager to address each opinion or issue. If the City Manager disagrees with the opinion of issue stated, the report should explain the disagreement. If the opinion of issue is agreed by the City Manager, a plan of action should be included in the report.

Response to Question 28. Per City Manager

The City Manager will assure that a Corrective Action Plan is prepared and respond within the designated time frame.

Question 29 (CM Rhodes) - What positions are included in the City Manager salaries & wages?

Response to Question 29 Per City Manager

1. The City Manager and Executive Assistant are included.
2. The Communications Coordinator is in a separate division but still a part of the City Manager Department.

Question 30 (CM Langford) - Will a new organization chart be presented?

Response to Question 30 Per City Manager

1. Yes, but not until the personnel analysis study has been completed.
2. This is slated to be finished and a recommendation will be submitted with the FY15 Budget.

Question 31 (CM Langford)- Who gave direction to draft legislation for the 1) removal of 15 ml cap, and 2) removal of elimination of 70 years and above millage exemption? Will a vote of council be taken during the special called meeting to move this forward?

Response to Question 31 Per City Manager

1. Recommendation for both items to be reviewed during the FY15 Budget process are presented by the Management Company.
2. City Council vote will be required.

CATEGORY: INTERNAL AUDIT

Question 32 (CM Langford)- What was the rationale for moving the Internal Audit position back to Accounting since it reports to the council? Should it stand on its own?

Response to Question 32 Per Internal Auditor

1. On August 5, 2013, a motion was made to have the Acting City Attorney draft the legislation report for the Home Rule change for the Internal Auditor to report to Council.

- 2. It is our recommendation that a full personnel analysis be conducted during the FY15 budget process. This study will determine what the needs of each department are.**

Question 33 (CM Martin) - What is our system of checks and balances for alcohol sales in East point? Business owners did come before Council and complained about paying the alcohol increase, however how do we know how much they sell in alcohol? For example The U-bar on Camp creek stays open well past 3:00 a.m. not to mention the closed location of Central Station (the business owner made it appear as though the fee was chump change) the parking lot is always full? What system of checks and balances do we have in place and how can we start this immediately?

Responses to Question 33 Per Internal Auditor

- 1. In June 2013, Internal Audit performed a review on businesses that engaged in whole sale alcohol and alcoholic mixed drink sales within the City.**
- 2. The major finding from the audit is that those businesses:**
 - a. Engage in mixed drinks report only their gross sales for the month/period;**
 - b. Pay the applicable tax based on the gross sale amount being reported, without any additional supporting or verifiable documentation to support the gross sale amount being reported.**
- 3. Internal Audit recommendations/suggestions will be discussed, investigations completed, proposals will be ready for FY 15 Budget considerations.**

CATEGORY: CUSTOMER CARE

Question 34 (CM Martin) - Who owes what to the city of East Point and how are we being aggressive in collecting these fees? This is in terms of electric utilities? How much money is owed to the City in electrical costs?

Responses to Question 34 Per Finance Director (?)

- 1. Three hundred ninety-three (393) customers on the cut-off listing with a total delinquent amount of \$372,941.81 owed to the City.**
- 2. Three thousand two hundred fifty-six (3,256) customers in collection with a total of \$1,555,183.80 owed to the City.**
- 3. There are eighty-eight (88) customers paying off debt from the old budget billing system in the amount of \$19,777.24. IT Department is obtaining a query on recurring charges of outstanding debt.**
- 4. At this time, a total of \$1,947,902.85 is outstanding to the City of East Point.**

CATEGORY: FINANCE

Question 35 (CM Rhodes) - Pages 58 and 59 (Expenditures) have #REF listed in the budget. It appears some formulas did not calculate. Can you please review this to see if this is an error?

Response to Question 35

- 1. This was an error.**
- 2. Error has been corrected by removing "#REF" items.**

Question 36 (CM Rhodes) - Page 3 of 10 (Revenue) has an increase of \$1,737,322 under Local Grant Proceeds; however, there is no foot note to explain the difference. What is the reason for this increase?

Response to Question 36

1. The city was awarded \$2,053,881 for Transportation.
2. In the previous submittal of the FY14 Proposed Budget, only the U.S. Department of Transportation – Federal Highway Administration Plantation (North Main Street) was included for \$266,559.
3. The additional \$50,000 for the Transportation Sidewalk Bank was removed because it was not a grant.
4. The following grants were included:
 - a. U.S. Department of Transportation - Federal Highway Administration - ARC Road Sign Replacement Program (\$240,000)
 - b. U.S. Department of Transportation - Federal Highway Administration: ARC Cleveland, Sylvan, Virginia, Norman Berry Resurfacing Program (\$768,000)
 - c. U.S. Department of Transportation - Federal Highway Administration - ARC East Point / Marta Multi-Modal Improvements (\$512,940)
 - d. U.S. Department of Transportation - Federal Highway Administration Plantation - North Main Street (\$266,382)

Question 37 (CM Rhodes) - Page ii of your letter to Council, first bullet – “.....Indirect subsidy from the general fund.....” Please confirm this is in compliance with the indirect Cost Allocation plan resolution passed by Council on 02-06-12.

Response to Question 37 Per Finance Director

1. The FY14 Revised budget used the formula per the resolution passed by Council on February 6, 2012.
2. We are requesting additional funding.

Question 38 (CM Rhodes) - Page ii, seventh bullet of transmittal letter, your reference increases in user fees and charges for service. Please provide me with the following list.

A list of user fees with the old fee and the new fee you recommend.

A list of the charges for services with the old fee and the new fee you recommend.

Response to Question 38 Per Finance Director

See following list:

Department	Fee Description	FY13 Adopted	FY14 Proposed
Human Resources	Lost ID Badges replacement	\$ -	\$5/each
Customer Care	Merchant Fees (Customer Service fees)	\$ -	\$3/monthly on bill
Parks & Rec	Flag Football (Adult)/Team	\$375/session	Program no longer offered
Parks & Rec	Softball (Adult)/Team	\$375/session	Program no longer offered
Parks & Rec	Tennis (Age 5-17)	\$60/session	\$40/session
Parks & Rec	Jefferson Park Weight Room (Membership)	\$50/year	\$65/year

Question 39 (CM Rhodes) - Page 7 of transmittal letter, Other Financing Sources. Please provide me with a list of what makes up the 123% increase.

Response to Question 39 Per Finance Director

The increase is due to the new cost allocation recommendation from the General Fund to the Utilities. (Page 3 of 10 – Revenues).

Question 40 (CM Rhodes) - Page 7 of transmittal letter, Purchased Contract Services. Your recommendation includes 4 additional contract services, yet there is an 18% decrease. Please provide me with a list of the contract services that will be eliminated to create this decrease that will be greater than 18% because of the new four contract services you recommend?

Response to Question 40 Per ?

The RFP's requested are allocated in the General Fund Contingency. (Page 23 – Expenditures)

Question 41 (CM Rhodes) - Cash Flow Analysis – Why are there blank entries under Workers Compensation and city electric?

Response to Question 41 Per Finance Director

The COEP is self-insured up to \$450,000. After we reach the limit our re-insurance excess carrier, Safety National Company, starts paying.

Question 42 (CM Rhodes) - What is internal Fund?

Response to Question 42 Per Finance Director

Internal Funds are funds dedicated to departments that exclusively provide services to the government's other departments. Departments included in the Internal Funds are Fleet and Information Technology.

Question 45 (CM Langford)- In the "Budget At A Glance" section" there is an **increase in all utilities**. Please provide the analysis of the proposed increases by utility.

Response to Question 45 Per Finance Director

See attachment B.

Question 46 (CM Langford) - Why is there an **increase in the Mayor's budget** (salary line) by \$5,860.00?

Response to Question 46

The increase is to include the Executive Assistant position.

Question 47 (CM Langford)- Are the **"end of year settlement funds"** included in this budget?

Response to Question 47

Yes, we are recommending that the end of year settlement funds be applied to negative Fund Balance from FY13 for the Electric utility.

Question 48 (CM Slaughter-Gibbons) – What is the possibility of a LOST to **increase the sales tax** in East Point to 8%? This is how surrounding areas, including Atlanta, fund many of their projects.

Response to Question 48 per Finance Director

- 1. On October 16, 2013, the City of East Point along with other municipalities signed an agreement with the State Revenue Commissioner with a set rate of 3.950%.**
- 2. Therefore, the City is unable to increase this percentage**

CATEGORY: ECONOMIC DEVELOPMENT

Question 49 (CM Rhodes) - Page iii, first bullet of transmittal letter, you reference a "Master Redevelopment Plan". We have **so many plans** now that I have lost track. Does East Point not have this plan already?

Response to Question 49

- 1. Currently, the City has three (3) Redevelopment Plans in place:**
 - a. Redevelopment Plan for the TAD Corridors**
 - b. Redevelopment Plan for the Cleveland Ave. Crossing**
 - c. The Commons Redevelopment Project.**
- 2. In addition to the plans, the City has undertaken two (2) Strategic Studies that have not been adopted by the Council. A.**
 - a. The Strategic Economic Development Plan (SEDP)**
 - b. The Main Street Corridor Transit Oriented Development (TOD) Plan.**

3. **Please see the attached documents detailing Council's approval to allocate money for the two (2) studies.**
4. **To read more about the studies, please see the links below:**
 - a. **Strategic Economic Development Plan (SEDP)**
<http://www.eastpointcity.org/index.aspx?nid=1418>
 - b. **The Main Street Corridor TOD Plan**
<http://www.eastpointcity.org/index.aspx?NID=1500>

CATEGORY: STORM WATER

Question 50 (CM Rhodes) - Page ii, third bullet –“of transmittal letter... Storm Water Utility...” If this passes Council, please answer the following two questions.

- a. Will this be charged of the utility bill or property tax bill
- b. Is it your intention to recommend council “back” bill for this utility for the first months of this budget?

Responses to Question 50 Per Storm Water

- a. **By vote of City Council on (Will research date) to have Storm Water Utility fee be placed on Property Tax Bill.**
- b. **No.**
- c. **We are preparing a repayment schedule for all monies owed by Storm Water to other Funds.**

Question 51 (CM Rhodes) - Page 7 of Transmittal letter, Storm Water Utility. The 2013 Budget shows an adopted Budget for \$1,329,281. However, the utility has never been approved. Therefore the increase for the Storm Water Utility will be greater than 71%. This should be 100% as the money was never collected in 2013.

Response to Question 51

The Storm Water Utility was adopted but never billed because Council approved the billing to be included on the Property Tax Bill after tax bills were mailed.

CATEGORY: SOLID WASTE

Question 52 (CM Rhodes) - Page 9, Private Recycle program. What do you mean by the statement, properly restructure the recycling program. What is improper about the program today?

Response to Question 52 Per ?

1. **The Program is actually being properly, legally and functionally well maintained.**
2. **Staff will be meeting with the City manager to discuss possible improvements**

Respectfully submitted,

A handwritten signature in blue ink that reads "Ellis E. Mitchell". The signature is written in a cursive style with a long, sweeping underline that extends downwards and to the right.

**Ellis E. Mitchell
Interim City Manager**

Responses to Mayor and Council - Additional Budget Questions

1. **(CM Cook)** - I want to make sure my calculations are correct. Please have staff report the total amount of MCT funds used to balance the budget and where those funds are allocated. Please include the (\$2.6 million) for Capital projects. And are the adjusted fund balances on page 7 effective for July 1, 2013 or some later date? I can only calculate the same balance for two of the funds.

Please see revised attachment.

2. **(CM Cook)** - Finally, on the bottom of the opening page where you state the reduction of tax revenue when we drop from 23 mills to 15 mills as \$3.5 million I challenge that the drop is more than \$4.6 million because your new tax number on line one in the revenue section is at least \$1.1 million higher than FY13 actual tax revenue. Can you justify the optimism?

The FY13 Actual Taxes that you refer to are the following: Real Property Tax - \$5,458,652; Personal Property - \$1,454,922. The Total of the Real & Personal Taxes is \$6,913,574. The FY13 Actuals was based on June 2013 Estimated Actuals.

The Estimated FY13 Actuals based on revised Year-End Trial Balance for Real Property Tax is \$6,242,216; Personal Property - \$1,454,922. The Total of the Real & Personal Taxes is \$7,697,138.

Based on current estimated FY14 Taxes from our Tax Collector the Real Property Taxes are \$6,144,444 and Personal Property Taxes are \$2,060,962 for a Total of \$8,205,405.

The Budgeted FY14 Taxes includes Real Property Taxes of \$6,570,333 and Personal Property Taxes of \$1,647,797 for a Total of \$8,218,130.

3. **(CM Rhodes)** - Please provide me with a list of reductions in staff (decreases in salary & wages) for each department by title that is not included in the list of 15 Council removed on March 18th from the 2013 budget.
 - a. This question was not answered. In 2013, per your report we had 543 employees. I assume this includes the 15 positions removed by Council. The 2014 budget has 533 employees.
 - b. What 10 positions are your removing in this budget?

Our initial answer to your original question was incorrect. In FY13, the City had 548 employees not 543. The only positions removed from the FY14 budget were the 15 positions abolished by Council on March 18th leaving 533 positions.

4. **(CM Rhodes)** How many and what positions have your recommended for removal from the Public Safety Department?
 - a. This question was not answered in my first list. **None have been recommended.**
5. **(CM Rhodes)** On page 1 of your letter to Council, in paragraph 4 in the last sentence "Furthermore, a copy of BOTH the Revised Budget....." what is BOTH referring to?
 - a. This was not removed. **Has been corrected.**

6. **(CM Rhodes)** Page ii, seventh bullet. Your reference increases in user fees and charges for service. Please provide me with the following list.
 - a. A list of user fees with the old fee and the new fee you recommend
 - b. A list of the charges for services with the old fee and the new fee you recommend.
 - i. You provided a list for only Parks & Recreation and HR. Your budget contemplates an increase in alcohol permit fees. Are there any other increases that were not included in the list you provided? **No other increased are recommended.**

7. **(CM Rhodes)** Page 7, Other Cost. Please provide me with the list of Other Cost that will create the 43% increase.
 - a. **This is the Contingency monies which includes the management contract and recommendation RFPs' stated in the transmittal letter.**

8. **(CM Rhodes)** Annual Operating Budget and Capital Improvement Plan Policy – Third paragraph under recommendation – The use of “with sufficient time” causes me some concern. This is a very objective statement. Is there a way we can make this more definitive, such as a specific time frame?
 - a. Not answered
Once we have discussion with City Council, we will make a definitive response based on the FY15 Budget Calendar.

9. **(CM Rhodes)** Annual Operating Budget and Capital Improvement Plan Policy – Planning, second paragraph, I have some concern with the wording.....or his/her designee must verify fund availability... This leaves an opportunity for the City Manager to designate anyone to confirm the fund availability. I would like to see this little more restrictive. Such as Deputy City Manager and or the Finance Department. At the very least, this should be restricted to a Director Position and not delegated to a manager of supervisor.
 - a. Not answered
It is as stated, the City Manager or his/her designate.

10. **(CM Rhodes)** Annual Operating Budget and Capital Improvement Plan Policy – Planning – Third paragraph, - ...Capital outlay generally defined.... Can we strike the word generally?
 - a. Not answered
Generally defined will remain.

11. **(CM Rhodes)** Fund Balance and Stabilization Reserve Policy – Assigned. Is the intent in this statement to provide Council will pass a resolution each time a fund balance needs to be reassigned? If so, the statement or his/her designee is not necessary as the resolution offers the authority. If it is not your intent to seek a resolution each time a fund balance needs to be assigned but rather give authority to the City Manager to make this decision, there should be a limit that will require council resolution and the designee should be more restrictive.
 - a. Not answered
Only when the budget is required to be amended and when funds are drawn from the designated fund balances.

12. **(CM Rhodes)** - Fund Balance and Stabilization Reserve Policy – if funds drop as to require use of the Stabilization Reserve, there should be some Council action to authorize the use of these funds.
 - a. Not answered
Yes

13. **(CM Rhodes)** - Accounting, Audits and Financial Reporting Policy – When we receive the audit and there are issues as stated by the auditor opinion or issues as stated by the state auditor , there should be a report within 60 days from the City Manager to address each opinion or issue. If the City Manager disagrees with the opinion of issue stated, the report should explain the disagreement. If the opinion of issue is agreed by the City Manager, a plan of action should be included in the report.

a. This needs a time limit of 60 days. Does this need to be included in the policy? **No**

14. **(CM Rhodes)** Page 12. What positions are included in the City Manager salaries & wages?

a. Where is the Deputy City Manager position in the budget?

b. Sec. 2-303. Deputy city manager.

The city manager shall appoint a deputy city manager who shall report to and assist the city manager in carrying out the functions, duties, and responsibilities of the city manager's office. The deputy city manager shall be subject to confirmation by the city council.

The position is in the budget but will not be funded for the remainder of FY14.

15. **(CM Rhodes)** Are there any increases to citizens in this budget recommendation other than the \$3.00 a month administrative fee and the over \$9.00 a month in storm water fee? If so, what exactly are those increases?

No other increases.

16. **(CM Rhodes)** Page ii, bullet 2, why was the cost of the payment to Fulton County for waste water treatment reduced from 2.7 million to 2.4 million?

The cost was increased from \$2.4M from \$2.7M.

17. **(CM Rhodes)** Page 7, adjustment C, why is the total \$893,266 and not \$890,218? **This has been corrected.**

18. **(CM Rhodes)** Utility Services Fees listed in red, are these changes in fees?

Only fee change recommendation is for Storm Water.

19. **(CM Rhodes)** Expenditures by department, page 37. Changes made but not in red

a. Contract Services changed from 4,980,880 to 5,190,712 – **based on a new rent allocation the General Fund's portion increased.**

b. Indirect Cost changed from 1,165,751 to 833,797 – **This was a budgeting error.**

c. Other Cost changed from 747,466 to 872,838 – **base on a new allocation for the Retiree's Health Insurance, the General Fund's portion was decreased.**

20. **(CM Rhodes)** Expenditures by Department – Electric Distributions page 55

a. Contract Services changed from 1,202,048 to 1,038,977. Why the reduction by 163K. - **based on a new rent allocation the Electric Fund's portion decreased (\$63K); a reduction (\$100K) in capital improvement cost.**

Respectfully submitted,

Ellis E. Mitchell

To: the Management of City of East Point, Georgia

And BFW's COEP Audit File

Subject: Status of the City of East Point Financial Audit (CAFR) for the year ended June 30, 2013.

The City's Comprehensive Annual Financial Report (CAFR) is anticipated to be completed and ready for submittal to the State of Georgia Audit Department and GFOA by December 31, 2013.

The accomplishment of this task is heavily dependent on the COEP management team providing the remaining required audit documents and explanations with full disclosure information. The BFW staff and COEP team have been meeting weekly. The Client Assistance Listing (CAL) indicates that about 85 % of all schedules have been delivered to the BFW team and the remaining items will be turned over and/or available to BFW team by November 15, 2013.

The fund-level CAFR must be turned over to BFW team by next Tuesday November 19, 2013 as noted on CAL and promised by COEP Team.

We will continue to meet weekly and, if necessary, even more often to prevent bottlenecks and to clear up outstanding audit issues and challenges.

Sincerely

City Council ACTION REQUEST ON:

BACKGROUND (History/Purpose)

The City of East Point has a responsibility to carefully account for public funds, to manage municipal finances wisely, and to plan for the provision of public services. Sound financial policies are necessary to carry out these objectives responsibly and efficiently. Best practices in local government finance promote that local government include financial policies in the following areas:

- **Financial Planning Policies.** These policies address both the need for a long-term view and the fundamental principle of a balanced budget.
- **Revenue Policies.** Understanding the revenue stream is essential to prudent planning. Most of these policies seek stability to avoid potential service disruptions caused by revenue shortfalls.
- **Expenditure Policies.** The expenditures of jurisdictions define the ongoing public service commitment. Prudent expenditure planning and accountability will ensure fiscal stability. At a minimum, jurisdictions should have policies that address ??

The City's adopted financial policies should be used to frame major policy initiatives and be summarized in the budget document. Any Council approved financial policies should be reviewed during the budget process. Moving forward City staff will review the policies to ensure continued relevance and to identify any gaps that should be addressed with new policies. The results of the review will be shared with the governing board during the review of the proposed budget.

ISSUE/FACT:

Over the next several months, City management will work on the development of a basic framework for its overall financial management. With such a framework, the City Council will be asked to adopt financial management policies and incorporate long-standing principles and traditions that will serve the City well in maintaining a sound and stable financial condition.

The broad purpose of the following financial policies is to achieve and maintain a long-term positive financial condition. The key values of the City's financial management include **fiscal integrity, prudence, planning, accountability, honesty, and openness**. Specifically, the purpose is to provide guidelines for planning, directing, and maintaining day-to-day financial affairs.

For City Council review and approval are the **four initial financial policies**:

- Annual Operating Budget and Capital Improvement Plan Policy
- Fund Balance and Stabilization Reserve Policy
- Long Term Debt Financing Policy
- Accounting, Auditing and Financial Reporting Policy

Each month **additional policies** will be submitted to the City Council for formal approval. The other planned proposed policies will include:

Financial Planning Policies

- **Long-Range Planning.** A policy that supports a financial planning process that assesses the long-term financial implications of current and proposed operating and capital budgets, budget policies, cash management and investment policies, programs and assumptions.
- **Asset Inventory.** A policy that is to inventory and assess the condition of all major capital assets. This information should be used to plan for the ongoing financial commitments required to maximize the public's benefit.

Revenue Policies

- **Revenue Diversification.** A policy that encourages a diversity of revenue sources in order to improve the ability to handle fluctuations in individual sources.
- **Fees and Charges.** A policy that identifies the manner in which fees and charges are set and the extent to which they cover the cost of the service provided.
- **Use of Non-Tax Revenue Spending.** A policy discouraging the use of one-time revenues for ongoing expenditures including uses of Municipal Corporate Trust (MCT) funds.
- **Use of Unpredictable Revenues.** A policy on the collection and use of major revenue sources it considers unpredictable.
- **Cash Investment.** A policy on how the City should invest its idle revenues for accountability and safekeeping of city assets.

Expenditure Policies

- **Debt Capacity, Issuance and Management.** A policy that specifies appropriate uses for debt and identifies the maximum amount of debt and debt service that should be outstanding at any time.
- **Operating/Capital Expenditure Accountability.** A policy to compare actual expenditures to budget periodically (e.g., quarterly) and decide on actions to bring the budget into balance, if necessary.
- **Grants Management.** A policy that identifies potential risks of grants and take steps to manage those risks and to recognize the financial and operational requirements of the life of the grant.

Additional policies may also be submitted as further review of the City's financial operations is completed over the next several months.

RECOMMENDATION:

City Council approval of these policies as requested.

ATTACHMENTS:

- **Annual Operating Budget and Capital Improvement Plan Policy**
- **Fund Balance and Stabilization Reserve Policy**
- **Long Term Debt Financing Policy**
- **Accounting, Auditing and Financial Reporting Policy**

CITY OF EAST POINT, GEORGIA
ANNUAL OPERATING BUDGET AND CAPITAL IMPROVEMENT PLAN POLICY

BACKGROUND

Budgeting is an essential element of the financial planning, control, and evaluation process of municipal government. The "Annual Operating Budget" is the City's annual Financial Operating Plan. The annual budget includes the **operating departments of the general fund, special revenue fund, debt service fund, capital project fund, enterprise fund, and other approved funds** that may be established as needed. The budget encompasses a fiscal year that begins on July 1 and ends on June 30.

A five-year Capital Improvements & Action Plan (CIAP) will be developed and updated annually. A five-year Capital Improvement Program will assist in the planning, acquisition, and financing of capital projects. A major capital project is generally defined as a **non-recurring** capital expenditure that has an expected useful life of more than 10 years and an estimated total cost of \$5,000 or more. Examples include parks improvements, streetscapes, computer systems, rolling stock trucks, loaders, and facilities improvements/expansion/construction.

Major capital projects will be budgeted in the Capital Improvement Fund reflecting all available resources. With the involvement of responsible departments, the City Manager will prepare the capital budget **annually**. The City's Capital Budget will be adopted with the Operating Budget. The Operating Budget will reflect any operating impacts on the CIP on the day-to-day operations upon completion (e.g., opening of a new fire station).

Both the Annual Operating and Capital improvements Budgets are prepared by the City Manager with the cooperation of all City departments, on a basis that is consistent with Generally Accepted Accounting Principles.

RECOMMENDATION

The City's Proposed Budget shall be prepared annually by the City Manager with participation of all City Departments consistent with provisions of the City Charter and State Budget Laws. The Budget shall include (1) revenues forecasts (2) personnel costs, (3) operating and maintenance supply costs, (4) general services costs (5) debt service and (6) capital and other (non-capital) costs.

The budget review process shall include public hearings. At the time the proposed budget is transmitted to members of the City Council by the City Manager, a copy will be made available for public inspection at City Hall and advertised in a local newspaper of general circulation. No earlier than seven days after the proposed budget is transmitted to the City Council and at least seven days in advance of budget adoption, a public hearing takes place to give the public an opportunity to comment on the proposed budget. Notice of a public hearing must be advertised at least seven days in advance of the public hearing.

Prior to the first day of the fiscal year, the City Council will adopt an Annual Operating Budget and Five Year Capital Improvements & Action Plan at a public meeting. The annual and CIP budget shall be advertised at least one week prior to the meeting. The proposed budget is prepared by the City Manager and transmitted to members of the City Council for its review with sufficient time given for the City Council to address policy and fiscal issues.

▪ **Adoption**

The Budget shall be adopted by the approval of a budget ordinance that specifies the anticipated revenues by appropriate categories, the proposed expenditure totals for each department, each nondepartmental expense, and for each fund covered by the budget.

Amendments to the budget **must be approved** by resolution. The budget shall be adopted at the fund/department level, which is the legal level of budgetary control. The current year's budget may be adjusted to reflect changes in local economy, changes in priorities or services needed, receipt of unbudgeted revenues and for unanticipated expenditures.

- **Balanced Budget**

The Annual Budget consists of operating, debt services, grants, and capital spending. The Annual Budget shall be balanced with anticipated revenues, including appropriated, unencumbered surplus or stabilization reserves, equal to proposed expenditures. All funds within the Budget shall also be balanced. City Council will annually approve the revenues, expenditures, and capital improvements spending for all City fund appropriations.

The Annual Budget will also include operating impacts from the Five Year CIAP. The operating impacts should address any one-time or reoccurring cost increases or decreases due to the major capital investment. Capital expenses include both major equipment and infrastructure improvement costs.

- **Planning**

The City will utilize a Decentralized Budget Process. All departments will be given an opportunity to participate in the Budget Process and submit funding requests to the City Manager.

All Capital Expenditures must be approved as part of each department budget in the Capital Improvement Fund. Before committing to a Capital Improvement Project, the City Manager or his/her designee must verify fund availability.

The Capital Budget provides annual funding for long-term capital projects identified in the Capital Improvement & Action Program (CIAP). During the Annual Budget Process, each department submits its Budget request including operating and capital needs. Upon review of the requests, major capital projects are placed in the Capital Improvements Fund. Other capital outlays are placed in the department's operating budget. Capital outlay is generally defined as an individual item in excess of \$5,000 with a life expectancy of more than two years but less than 10 years.

Citywide capital improvements are assessed and prioritized based on the City's objectives and goals, the City's comprehensive work plan, and the City's strategic plan.

- **Interim Reporting on the Annual Budget and Capital Improvements and Action Plan**

Periodic financial reports will be provided to enable the City Manager to monitor and control the Annual Operating and Capital Budget and to enable Department Heads to manage the annual appropriations.

Periodic financial reports will be prepared and distributed Department Heads and on to the City Manager. These reports allow Department Heads to manage their budgets and operations, and enable the City Manager to monitor and control the budget and operations. Summary financial and budgetary reports should be presented by the City Manager to the City Council no less than quarterly and preferably on a monthly basis.

- **Control and Accountability**

Each Department Head is responsible for ensuring that his/her department expenditures do not exceed budgeted funds. Departments cannot exceed appropriations described in the budget. Failure to achieve budgetary control will be evaluated and investigated by the City Manager.

- **Performance Measures**

The City will integrate performance measures and objectives into the budget document. The City will also develop a system to monitor performance in meeting these objectives.

- **Budget Transfers**

Contingent upon remaining within the confines of the total department budget, each Department Head has the authority to recommend Budget Transfers to the City Manager. Funds within departmental budget line items can be transferred upon the recommendation of the Department Head and with approval of the City Manager. Budget transfers over \$5,000 for operating expenses for Capital Improvements must be approved by City Council prior to any spending or contract purchases.

**CITY OF EAST POINT, GEORGIA
FUND BALANCE AND STABILIZATION RESERVE POLICY**

BACKGROUND

The City of East Point, Georgia ("City") maintains its financial operations in a manner consistent with sound financial management principles, which require that sufficient funds be retained by the City to provide a stable financial base at all times.

An adequate fund balance level is an essential element in both short-term and long-term financial planning. It serves to mitigate current and future risks, sustain operations during economic downturns, provide cash flow liquidity for the City's general operations, and enhance creditworthiness. Maintenance of sufficient levels of fund balance enables the City to stabilize funding for operations, stabilize taxes and fees, and realize cost savings in issuing debt. While adequate levels of fund balance are important, the City strives to maintain an appropriate amount that is conservative to address long term sustainability.

RECOMMENDATION

This policy establishes guidelines for preserving an adequate fund balance in order to sustain financial stability and to provide prudent management of the City's financial reserves. Fund balance is a surplus of funds accrued from unexpended operating budgets and unanticipated revenues.

Fund equity at the governmental fund financial reporting level is classified as "fund balance." Fund equity for all other reporting is classified as "net assets." Generally, fund balance represents the difference between the assets and liabilities under the current financial resources measurement focus of accounting.

In the fund financial statements, the City's governmental funds report fund balance classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Fund balances are classified as follows:

- **Nonspendable.** Fund balances are reported as nonspendable when amounts cannot be spent because they are either (a) not in spendable form (i.e., items that are not expected to be converted to cash) or (b) legally or contractually required to be maintained intact.
- **Restricted.** Fund balances are reported as restricted when there are limitations imposed on the use either through the enabling legislation adopted by the City or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.
- **Committed.** Fund balances are reported as committed when they can be used only for specific purposes pursuant to constraints imposed by formal action of the City Council through the adoption of a resolution. Only the City Council may modify or rescind the commitment.
- **Assigned.** Fund balances are reported as assigned when amounts are constrained by the City's intent to be used for specific purposes, but are neither restricted nor committed. Through Resolution, the City Council has authorized the City Manager or his or her designee to assign fund balances.

- **Unassigned.** Fund balances are reported as unassigned as the residual amount when the balances do not meet any of the above criterion. The City reports positive unassigned fund balance only in the general fund. Negative unassigned fund balances may be reported in all funds.

Best practices recommend that local governments, at a minimum, that general-purpose governments, maintain unrestricted fund balance in their General Fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures.¹ Two months of General Fund budgeted expenditures and transfers is prudent based upon an evaluation the City's operating characteristics, diversity of tax base, reliability of non-property tax sources, working capital needs, impact on bond rating, state and local economic outlooks, emergency and disaster risk, and other contingencies.

The City's policy is to obtain and then maintain a minimum General Fund Balance and a related Stabilization Reserve equal to no more than two months or 16 percent of total annual operating expenditures.

The Stabilization Reserve provides the City with a "rainy day" fund for use in unforeseen, unbudgeted emergency situations, such as rapidly declining real estate values and/or tax collection rates; the loss of a major taxpayer; sudden changes in revenues or spending requirements imposed by the state or federal government; natural disasters or emergency infrastructure failures; or unforeseen litigation.

The City Manager will report to the City Council an estimated, unaudited balance of both the stabilization and unassigned account balances during the annual budget submission process. Recommendations of the use of these funds would be included as an element of the annual operating budget. Any funds in addition to the minimum requirement of four months maybe authorized by City Council in the budget resolution.

After the City has allocated resources to the Stabilization Reserve, any excess funds would be reported in the unassigned account and may be utilized for other municipal purposes, including additional capital improvement needs identified in the multi-year (five year) capital improvement plan. The five-year capital improvement plan would include resource allocation of these unassigned funds.

The Stabilization Reserve below minimum standards should only be used to provide a short-term solution to maintaining services until projected revenue growth or necessary expenditure reductions are achieved to balance the budget. The City will evaluate the current economic conditions and their impact on future revenue projections to determine the extent of expenditure reductions or revenue increases that are required to achieve day-to-day financial balance.

When it becomes necessary for the City to draw funds from the Stabilization Reserve, wherein the balance drops below the minimum level of two months, the City will develop a plan to replenish the account to the minimum level from net revenue surpluses in subsequent fiscal year(s) until the balance is restored to the minimum level.

**CITY OF EAST POINT, GEORGIA
LONG TERM DEBT FINANCING POLICY**

BACKGROUND:

Debt results when one borrows from an individual or an institution. The borrower receives funds to acquire resources for current use with an obligation for repayment later. The debt from borrowing generally must be repaid with interest.

The City of East Point, Georgia (City) recognizes that to maintain flexibility in responding to changing service priorities, revenue inflows, and cost structures, a debt management strategy is required. The City strives to balance service demands and the amount of debt incurred. The City realizes that failure to meet the demands of growth may inhibit its continued economic viability, but also realizes that too much debt may have detrimental effects as well.

The goal of the City's debt policy is to maintain a sound fiscal position and to protect the credit rating of the City. When the City utilizes debt financing, it will ensure the debt is financed soundly and conservatively.

RECOMMENDATION

Debt financing of capital improvements and equipment will be done only when one or more of the following four conditions exist:

- When non-continuous projects (those not requiring continuous annual appropriations) are desired;
- When it can be determined that future users will receive a benefit from the improvement;
- When it is necessary to provide basic services to residents and taxpayers;
- When total debt, including that issued by overlapping government entities, does not constitute an unreasonable burden to residents and taxpayers.

When the City utilizes debt financing, it will ensure that the debt is soundly financed by:

- Taking a prudent and cautious stance toward debt, incurring debt only when necessary;
- Conservatively projecting the revenue sources that will be used to pay the debt;
- Ensuring that the term of any long-term debt incurred by the City shall not exceed the expected useful life of the asset for which the debt is incurred and shall be limited to capital improvements only;
- Determining that the benefits of the improvement exceed the costs, including interest costs;
- Maintaining a debt service coverage ratio which ensures that combined debt service requirements will not exceed revenues pledged for the payment of debt;

- Analyzing the impact of debt service on total annual fixed costs before bonded long-term debt is issued;
- Maintaining total debt service for general obligation debt that does not exceed 10 percent of the net operating revenues. Net operating revenues are all general fund revenues available after accounting for transfers between other City funds;
- The Annual Budget and Capital Improvement Plan should include a statement of sources and uses for long term capital projects including debt service financing schedules and a capital debt capacity analysis.;
- Professionals related to the financing transaction should be selected through a Request for Proposal process. Such professionals should include Bond Counsel, Financial Advisor, Underwriters, Placement Agent and Bond Trustee when such applicable services are needed. In no instance should the Underwriter selling and marketing the Bonds serve as the Financial Advisor.

**CITY OF EAST POINT, GEORGIA
ACCOUNTING, AUDITS AND FINANCIAL REPORTING POLICY**

BACKGROUND:

The City of East Point, Georgia (City) shall maintain a system of financial monitoring, control, and reporting for all operations and funds in order to provide effective means of ensuring that overall City goals and objective are met.

RECOMMENDATION:

The City will maintain its accounting records in accordance with state and federal laws and regulations and in a manner to facilitate an efficient audit process. The City will report its financial condition and results of operations in accordance with state regulations and Generally Accepted Accounting Principles (GAAP) described in Governmental Accounting, Auditing, and Financial Reporting (GAAFR).

The City's financial accounting system shall be kept in such a manner as to show fully the financial conditions of the City. In addition, the books shall be open to the public during business hours.

The City will maintain a Chart of Accounts that complies with requirements of the State of Georgia and is in accordance with generally accepted accounting principles.

An independent auditor or auditing firm will annually perform the City's financial audit. The auditor must be a Certified Public Accountant (CPA) that can demonstrate that s/he has the capability to conduct the City's audit in accordance with generally accepted auditing standards. The auditor's opinions will be supplemented in the City's Comprehensive Annual Financial Report (CAFR). A copy of the audit will be sent to the State Auditor who will respond with comments regarding compliance. Results of the annual audit shall be provided to the City Council in a timely manner.

The City will attempt to minimize the number of funds. Funds will be categorized in accordance with generally accepted accounting principles (GAAP) for reporting purposes.

As a part of the audit, the auditor shall assist with the preparation of the required Comprehensive Annual Financial Report (CAFR). The CAFR shall be prepared in accordance with generally accepted accounting principles. The CAFR will be presented in a way to communicate effectively with citizens about the financial affairs of the City. The CAFR shall be made available to the elected officials, creditors, and citizens.

Internal financial reports will be prepared that are sufficient to plan, monitor, and control the City's financial affairs. Monthly accounting reports are meant to transmit information regarding the financial situation of the City. These regular reports are made available to the City Council, City Manager, Department Heads, and other staff as necessary.
