

THE CITY OF
EAST POINT Georgia

ATTENTION!

East Point Property Owners and Apartment Managers,

In the last 12 months, there have been changes in East Point that we are all excited to share. With a new Mayor, an Interim Chief of Police and a new Community Prosecution Office on Washington Road, we want to take this opportunity to inform you of all of the benefits that East Point can offer to residential landlords and multi-unit property owners.

We would like to invite you to a meeting of property owners and property managers in East Point to learn about resources, crime prevention and prosecution, and nuisance laws that adversely affect your property rights based on the actions of your tenants.

While we welcome all property managers, it is important that property owners themselves understand what is at stake with their property.

The meeting will be held on October 9th, 2014 at 6:00 pm at the Bowden Senior Center at 2885 Church St, East Point, GA 30344. The departments represented and topics addressed include:

*The Mayor and City Council
East Point Police Department (Crime Reporting & Prevention)
Code Enforcement (Violations)
Department of Housing (Tenants and Rules)
District Attorney/Community Prosecutor (Nuisance Laws & Injunctions)
Marshal's Department (Evictions)
And more....*

Please join us as we usher in change in East Point and renew our commitment to work together to reduce crime and support our landlords and multi-unit property owners. Together, we can make change in East Point!

We Hope To See You There!
