Washington Rd @ Camp Creek Pkwy (Turn signal timing too short weekends)
Camp Creek Pkwy @ Desert Dr. (Turn signal needed)
Victoria Dr. vs. W. Potomac - map distinction needed for street sign labeling. Google maps lists Victoria Dr and W. Potomac as the same street. They both share of the same house number 3640. Misdirected mail and taxi drop offs occur! (*They dead end into each other)

~~3. Sidewalks - Please list locations, including from and to, that you would like to have evaluated~~

Main St. passing Marta Station, heading toward Ft. Mc / Lakewood
Marta Station - the foliage - tree limbs/branches in full bloom with leaves or blossoms obscure the traffic light as one comes around the curve. Traffic signal needs to be offset/limbs trimmed
